Dues are past due. They are now \$35. Please pay as soon as possible at the Hall.

Some folding chairs are missing from the Hall. If they could please be returned as soon as possible, no questions will be asked. Thank you.

TURNERETTES

Thank you to Dr. Ritu Munjal for speaking about women's health at our last meeting. And thanks to everyone who attended and brought a snack.

The sign up sheet for working Children's Day is posted at the Hall, so please sign up for whatever activity and shift you are able to work.

Please bring ideas for the Turnerettes' centennial float to the next meeting. This will be our last meeting until September, so we will be signing up to work the softball tournament, too. Anyone who is a grandmother should bring a snack.
