Congratulations to the 40-year Turner members for 2006: Dick Conway, Robert Eldridge, and Ron Mapes.

Our website www.keystoneturners.com is now up and running. Starting in February we will be able to email the newsletter. This will save time and money. Please send an email to newsletters@keystoneturners.com or click on the link on the front page of our site. We will still send a hard copy for the first month or two to make sure you are still receiving them.

CONSTRUCTION NEWS: The roof is now on. We are all excited to see the progress, but please remember to keep your distance and avoid distracting the workers.

Wild game feed: We are still planning on having one this year but time and location is yet to be determined. We will need meat but due to lack of freezer room, we can not accept any meat now. Please keep it for us until needed.

TURNERETTE'S
